

# BSA Digital Mutual

## *How can Open Banking and Open Finance work for mutuals?*

Thursday, 24th June 2021 (10:00am – 11:30am)

The BSA's Digital Mutual will be returning in June 2021, with a deep dive into Open Banking and Open Finance.

This virtual event will focus on the current state of play with Open Banking and how firms are already using it to transform customer savings propositions and loan affordability, with case studies from Newbury Building Society and London Mutual Credit Union.

With the recent commitment from Government and regulators to Open Finance, we will also be discussing what impact this could have on mutual organisations in the future.

This is the first in a series of virtual Digital Mutual events on a single topic that will be taking place throughout 2021.
