

Operational resilience

Tuesday, 15 October 2019 | etc venues Marble Arch, London W2

While we await feedback from the Bank of England, PRA and FCA on their joint 2018 discussion paper on operational resilience, firms cannot afford to sit on their hands and must start implementing changes now.

This full-day seminar aims to help firms prepare by covering the roles and responsibilities of senior management, outsourcing, helping firms identify and set key tolerance levels for disruption, understand the Regulators' approach and look at other's experiences of embedding a culture of operational resilience.
